ASBI 37th Annual Convention

Abstract

Your abstract should provide a brief, clear, and concise reflection of your presentation's content. The abstract should only be one paragraph between 150 - 250 words in length.

A large, yellow, truss-style bridge is shown under construction. The bridge spans a body of water, and its structure is supported by several large, concrete piers. The bridge is partially completed, with some sections still under construction. The background is a clear blue sky.

Outline Your Key Elements

List 4-5 primary or key elements of your topic that you will be discussing.

A large, yellow, truss-style bridge is shown under construction. The bridge spans a body of water, and its structure is supported by several large, concrete piers. The bridge is partially completed, with some sections still under construction. The background is a clear blue sky.
